

17 tornadoes reported in 7 states across the Plains

The most damaging storms hit in Oklahoma.

At least 17 tornadoes were reported in seven states overnight into Tuesday morning, as the tornado threat continues Wednesday for parts of the country.

The twisters were reported in Iowa, Nebraska, Kansas, Oklahoma, Missouri, Tennessee and South Dakota.

One of the hardest-hit areas in the storm was Barnsdall, Oklahoma, north of Tulsa. One person was killed and several injured, according to Barnsdall Mayor Johnny Kelley.
