

Islamic Jihad: For every one of us you kill we will bomb Tel Aviv

“The assassination of any of our commanders or soldiers, wherever it is, will lead us to respond immediately by bombing Tel Aviv,” the Secretary General of the Islamic Jihad Ziad al-Nahla said on Saturday.

His comments follow a statement made earlier in the day by Iran’s Quds Force commander who said that “we recommend Israelis buy back the houses they sold in Europe, America, and elsewhere, before they become expensive.”
