

# Kyiv attacked as world leaders meet at G20

**Russia has attacked the Ukrainian capital Kyiv, damaging residential buildings close to the city centre.**

In what appears to be a nationwide attack, strikes were also reported in Mykolaiv, Chernihiv and Zaporizhzhia, among other places.

In Kyiv, three buildings in the Pechersk district were hit, according to mayor Vitaliy Klitschko.

World leaders are currently at a meeting of the G20 in Indonesia where they have condemned the war on Ukraine.
