

Professor Lays Waste To “Ukraine Narrative” - Says this war was solely of U.S. making

It is a rare, almost non-existent thing, to hear someone articulate the Russia-Ukraine Conflict the way I do on my radio show. In the brief video below, Professor Jeffrey Sachs of Columbia University outdoes even . . . me.

While I relate my reporting from memory after having observed this conflict in the making, Professor Sachs KNOWS the people involved and speaks what he saw with his own eyes.

When I first watched this video, I thought to myself “this guy listens to MY radio show!” Turns out, he lived it.

I aired the audio from this video on my November 1 radio show. I have already had numerous requests to put this up on my website, so here it is.

FACTS:

We have all been intentionally LIED to by the people who caused this conflict, and who keep it going.

We may face a nuclear war because of what we’ve done, and WE are in the wrong. WE caused this.

The video below will be the best ten minutes you’ll spend in a long time:
