

RADICAL RAGE Moment army of black-clad anarchists storms Elon Musk's Tesla gigafactory in Germany after 'Vulkan Group' declares war

Video shows the eco-protesters battling with cops as they breached police lines

A GROUP of angry black-clad anarchists clashed with police as it stormed the Tesla gigafactory in Brandenburg.

Dramatic footage shows far-left demonstrators defying cops and breaking through police lines before reaching the fence of the Tesla plant.

In another clip, eco-thugs are seen storming over the railway tracks and clashing with police as they make their way to the site.

The radicals are seen running towards the EV plant with some being dragged on the ground by German cops.
