US to continue Ukraine military assistance - for rare earth resources

'We're looking to do a deal with Ukraine where they're going to secure what we're giving them with their rare earth and other things,' Trump said - 'I want security of the rare earth'

US President Donald Trump said on Monday he is willing to continue military assistance to Ukraine as it resists Russia's invasion, but wants to secure rare earth and minerals for the help.

"We're looking to do a deal with Ukraine where they're going to secure what we're giving them with their rare earth and other things," Trump told reporters. "I want security of the rare earth, and they're willing to do it."
